RE: Case No. 2012-00535

Dear Mr. Bailey:

On January 13, 2014, Big Rivers Electric Corporation ("Big Rivers") filed a report with the Commission regarding its efforts to refund monies collected in excess of the rates approved by the Commission in Case No. 2012-00535. Commission Staff has reviewed the report and believes there is an error in Big Rivers' calculation of the refund amount owed to its member cooperatives.

In Exhibit 2 – Response to Ordering Paragraph No. 8, page 4 of 15, the amounts shown in the Rate Variance column for August 2013 for the Rural class kWhs sold do not appear to take into account that August was a partial month which covered August 20 through August 31, 2013. Commission Staff believes that correcting the error will result in a total additional refund of \$283,328.65 to Big Rivers' member cooperatives as follows: \$82,199.28 to Jackson Purchase Energy Corporation, \$147,793.98 to Kenergy Corp., and \$53,335.39 to Meade County Rural Electric Cooperative Corporation.

A response is requested within 10 days of the date of this letter. If you have any questions regarding this letter, please contact Chris Whelan of the Commission Staff at (502) 782-2644.

Very truly yours,
