COMMENTS: I OPPOSE THE KENERGY RATE INCREASE. LIKE ANY OTHER BUSINESS, WHEN YOU LOSE BUSINESS, YOU FIND WAYS TO CURB COST. IT SEEMS THAT KENERGY WOULD RATHER INCREASE THEIR COST OF SERVICE RATHER THAN TRY + FIND WAYS TO REDUCE OPERATING COST. I THINK THAT ALL CITIZENS + BUSINESS IN KY SHOULD HAVE THE RIGHT TO PURCHASE ENERGY FROM THE OPEN MARKET JUST LIKE RECENT LAWS HAVE ALLOWED THE SMELTER INDUSTRY TO DO. IN DOING THIS, THE ELECTRICAL COMPANIES CAN BE MORE COMPETITIVE + GIVES THE CONSUMER THE ABILITY TO CHOOSE WHO THEY BUY POWER FROM.

I ALSO THINK THAT KENTUCKIANS SHOULD UNITE, FOCUS + FIGHT THE JOB KILLING "WAR ON COAL" EPA REGULATIONS THAT HAVE, I BELIEVE TIED THE HANDS OF WAYS KENERGY CAN CURB THEIR OPERATING COST WITH OUT A RATE INCREASE
