

7-22-13

2012-00535

This is in regards to  
the possible rate increase  
by Big Rivers Electric  
Cooperative.

It would be a huge  
financial burden on  
myself as I am already  
on a tight budget.

Please reconsider & find  
another solution other than  
having to raise the rates!

Please DO NOT raise  
the rates!
