Re: Northern Kentucky Water District

Dear Mr. Derouen:

Northern Kentucky Water District gives notice of its intent to file an application for construction and financing of a sub district. 807 KAR 5:001, Section 8(2) requires the filing of the original and ten paper copies of all applications and other documents that are part of the case. Northern requests a deviation from the regulation to allow it to file and serve all documents in this case in electronic medium only for both filing and service purposes. Northern intends to file the application as soon as possible.

The agents for Northern to receive electronic service are Jack Bragg (jbragg@nkywater.org) and me (jnhughes@fewpb.net). Northern waives service of paper copies of orders and other documents.

If you have any questions about this matter, please contact me.

Very truly yours,

John N. Hughes
Attorney for Northern Kentucky
Water District
