RE: Meade County R.E.C.C.
Case No. 2013-00033
Filing Deficiencies

The Commission Staff has reviewed Meade County R.E.C.C.'s application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

- (1) 807 KAR 5:001: Section 8(4)(b)4 – Each file in an electronic submission shall be bookmarked to distinguish sections of the paper.
- (2) 807 KAR 5:001: Section 14(2) - If the applicant is a corporation, a certified copy of its articles of incorporation and all amendments, if any, shall be annexed to the application, or a written statement attesting that its articles and all amendments have been filed with the commission in a prior proceeding and referencing the case number of the prior proceeding.

Meade County's application states that the articles of incorporation and all amendments thereto were filed with the Commission in Case No. 2006-00500.

In Case No. 2006-00500, Meade County states that the articles of incorporation and all amendments thereto were filed in Case No. 2002-00391.

In Case No. 2002-00391, Meade County states that the articles of incorporation and all amendments thereto were filed in Case No. 93-033.

In Case No. 93-033, Meade County states that the articles of incorporation and all amendments thereto were filed in Case No. 90-134.

In Case No. 90-134, a copy of the following was filed:

- June 4, 1937 Articles of Incorporation,
- October 26, 1971 Amendment of Articles of Incorporation
- June 19, 1939 Amendment of Articles of Incorporation

A review of the information from the website of the Kentucky Secretary of State indicates that at least the following three amendments to Meade County's Articles of Incorporation have not been filed with the Commission:

- July 8, 1937 Amendment
- July 8, 1939 Amendment
- August 15, 1940 Amendment

Meade County should file a complete copy of its Articles of Incorporation and any and all amendments thereto.

- (3) 807 KAR 5:001: Section 16(4)(a) - The present and proposed rates for each customer class to which the proposed rates would apply. The customer notice, as set forth in the Application, Exhibit D, contains the following errors:

Rate Schedules 1, 2, 3 and 3A – The current monthly customer charges are not included in the Present Rates column.

The Renewable Resource Energy Service Rider is not included in the notice while two schedules in the Application provide conflicting information. Exhibit R, Schedule 5, of the Application shows the rider decreasing from \$.02688 to \$.02648, while Exhibit B of the application, Sheet No. 100, shows the rider decreasing to \$.02550.

- (4) 807 KAR 5:001: Section 16(4)(e) - The number of customers to be added to the test period end level of customers and the related revenue requirements impact for all pro forma adjustments with complete details and supporting work papers. The complete details and supporting work papers for test-year end customers and growth are not provided.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may re-file your proposed tariff with a new proposed effective date that is a least 30 days from the date you file the required information. You are requested to file this information within 10 days of date of this letter.

If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Linda Faulkner
