SITE CERTIFICATE

**LOAN RECIPIENT FOR FEDERALLY ASSISTED DRINKING
WATER STATE REVOLVING LOAN FUND**

I certify that the loan recipient, the Columbia-Adair Utilities District, has acquired all real property including easements and rights-of-way that are or will be required for construction, (erection, extension, modification, addition) operation and maintenance of the entire drinking water treatment works project no. WX21001025 / F11-10 / DWL1146.

I certify that, if other municipalities are served by the drinking water treatment works project WX21001025 / F11-10 / DWL1146, those municipalities have acquired real property including easements and rights-of-way required for service to those municipalities.

I certify that the Title Counsel's Certification given on the attached certificate covers all real property including easements and rights-of way required for construction, operation and maintenance of the entire drinking water treatment works project WX21001025 / F11-10 / DWL1146.

I further certify that all real property including easements required for the entire drinking water treatment works project, WX21001025 / F11-10 / DWL1146, acquired in accordance with the requirements of the Surface Transportation and Uniform Relocation Assistance Act of 1987 as set forth in 49 CFR Part 24.

SITE CERTIFICATE**

Project No. WX21001025 / F11-10 / DWL1146

I, Marshall Loy, Attorney at Law, representing the Columbia-Adair Utilities District as Title Counsel, do hereby certify:

1. That I have investigated and ascertained the location of, and am familiar with the legal description of the site or sites being provided by the Loan Recipient for all elements of the Drinking water Treatment Works Project identified above to be constructed (modified, extended, improved, altered) operated and maintained in and upon such site or sites.
2. That I have examined the deed records of the county or counties in which such a project is to be located and in my opinion, the Loan Recipient has a legal and valid fee simple title or such other estate or interest in the site of the project, including necessary easements and rights-of-way sufficient to assure undisturbed use and possession for the purpose of construction, operation and maintenance for the estimated life of the project.
3. That any deeds or documents required to be recorded in order to protect the title of the owner and the interest of the Loan Recipient have been duly recorded and filed for record wherever necessary.
4. That, if applicable, the title to real property for which the Federally Assisted Drinking Water State Revolving Fund has funded the cost has been encumbered in accordance with the requirements of State and local law to adequately protect the interest of the United States.
5. Remarks:

Dated this 27th day of November, 2012

Marshall Loy

Attorney at Law

Columbia, Ky 42708
