Re: Notice of Election of Use of Electronic Filing Procedures for the East Casey County Water District's Application for approval of a Lease Agreement to refinance outstanding Water District Revenue Bonds.

Dear Mr. Derouen:

We are acting as bond counsel to the East Casey County Water District (the "District"). In such capacity, this letter is being sent to you with the enclosed Notice of Election of Use of Electronic Filing Procedures.

I would also like to take this opportunity to express the urgency of timing related to this financing and request your assistance expediting review and approval of the Application. The District has currently approved the execution of a Lease Agreement (the "Lease") with the Kentucky Bond Corporation ("KBC") who will issue a series of KBC Revenue Bonds to finance the Lease. The proceeds of the Lease will be used to refund and retire all of the District's outstanding Water District Refunding and Revenue Bonds (the "Prior Bonds").

Ross, Sinclair & Associates LLC, the District's Financial Advisor, estimates that based on today's market conditions that the refinancing of the Prior Bonds is expected to save \$711,642.40 in principal and interest costs, which produces a net present value savings of approximately \$249,995.87. These savings are dependent on market conditions as of the date of the sale of the Bonds, and delay could reduce the savings to ratepayers.

Thank you for your assistance with this matter.

Very truly yours,

A handwritten signature in black ink that reads "Ian Koffler".
