RE: Case No. 2013-00148
Atmos Energy Corporation
Filing Deficiencies

The Commission Staff has reviewed the application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

- (1) 807 KAR 5:001, Section 4(3) – Name address, telephone number, fax number, and e-mail address of submitting party or attorney. No fax number was included.
- (2) 807 KAR 5:001, Section 16(1)(b) 4 – New or revised tariff sheets, if applicable in a format that complies with 807 KAR 5:011 with an effective date not less than thirty (30) days from the date the application is filed. Atmos is proposing two tariff riders, the Margin Loss Rider and the System Development Rider (original sheets 42, 43, and 44). As they are not designated as new with the letter "N" they do not comply with the regulation.
- (3) 807 KAR 5:001, Section 16(4)(a) - The present rates and proposed rates for each customer class to which the proposed rates will apply. In the notice (in Volume 3 of the application) both the T-3 and T-4 tariffs contain incorrect current rates while the G-2 tariff contains incorrect proposed rates.

- (4) 807 KAR 5:001, Section 16(4)(e) - A statement that a corporation, association, or person may within thirty (30) days after the initial publication or mailing of notice of the proposed rate changes, submit a written request to intervene to the Public Service Commission, 211 Sower Boulevard, P.O. Box 615, Frankfort, Kentucky 40602 that establishes the grounds for the request including the status and interest of the party, and states that intervention may be granted beyond the thirty (30) day period for good cause shown. Wording contains several incorrect phrases.
- (5) 807 KAR 5:001, Section 16(4)(g) - A statement that a person may examine this filing and any other documents the utility has filed with the Public Service Commission at the offices of (the name of the utility) located at (the utility's address) and on the utility's Web site at (the utility's Web site address), if the utility maintains a public Web site. Omitted Atmos' Website.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned required information is filed with the Commission. You are requested to file this information within 10 days of the date of this letter.

If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,
