Re: In the Matter of: Application of Big Rivers Electric Corporation for
a General Adjustment of Rates, PSC Case No. 2013-00199

Dear Mr. Derouen:

This letter is written on behalf of Big Rivers Electric Corporation ("Big Rivers") to advise the Public Service Commission ("Commission") and intervenors that James V. Haner and David G. Crockett have retired from their positions as Big Rivers' Vice President, Administrative Services and Big Rivers' Vice President, Systems Operations, respectively. Because Mr. Haner and Mr. Crockett filed testimony and sponsored certain data request responses in this case, Big Rivers has re-assigned responsibility for those items to others.

Thomas W. Davis has filled Mr. Haner's position and will assume responsibility for the testimony and data request responses Mr. Haner previously sponsored. Additionally, prior to Mr. Haner's position being filled, Billie J. Richert sponsored certain data request responses that now fall within Mr. Davis' area of responsibility. Mr. Davis will also assume responsibility for those items.

Mr. Crockett's position has not yet been filled. Christopher A. Bradley will assume responsibility for the testimony and data request responses Mr. Crockett previously sponsored.

For the convenience of the Commission and the intervenors, Big Rivers prepared the enclosed table of items for which Mr. Haner or Mr. Crockett had responsibility and identified in the table the witness who is assuming responsibility for each item. Professional Summaries for both Mr. Davis and Mr. Bradley are also enclosed.
