RE: *In Re* Application of Big Rivers Electric Corporation, Inc.  
for an Adjustment of Rates; Case No. 2013-00199

Dear Mr. Derouen:

On Friday, November 22, 2013, the Attorney General filed his responses to data requests from the Kentucky PSC Staff, and from petitioner Big Rivers Electric Corp. ["Big River"] in the above-styled matter. The Attorney General's responses included a separate sealed envelope marked as confidential, containing a CD bearing Excel spreadsheet files which contain information for which Big Rivers has sought confidential protection in several petitions, dated June 28, July 12, Sept. 3, Sept. 30, Oct. 22 and Nov. 12, all in 2013. As you may be aware, the Attorney General has entered into a confidentiality agreement with Big Rivers which requires the Attorney General to maintain confidential protection for such data for which Big Rivers has petitioned the PSC to grant confidential protection. As of this date, it appears the PSC has not ruled on any of petitions.

Please advise if you should have any questions, or require any further information.

Yours truly,

A handwritten signature in black ink, appearing to read "L. W. Cook".
