Case: 2013-00199 - Big Rivers Electric Corp. rates

COMMENTS: I FEEL IT IS IMPORTANT FOR ME TO INFORM YOU ABOUT THE YOUNGER GENERATION AS WELL AS THE OLDER GENERATION THAT THEY CANNOT AFFORD ALL THAT INCREASE IN THEIR POWER BILL. WE HAVE ALREADY GOT IN 2009 AN INSURANCE TAX PUT ON EVERY ONE IN DAVIESS COUNTY THAT OWNS AN AUTOMOBILE OR PROPERTY WITH AN INSURANCE POLICY ON THEM. PLUS THE HIGH PRICE OF GROCERIES - GASOLINE AND PHONE BILLS - WATER BILLS. IT IS A BIG STRUGGLE FOR THE YOUNGER ONES TO GET STARTED OUT IN LIFE AS IT IS. THEY HAVE TO HAVE HELP FROM PARENTS, FRIENDS - NEIGHBORS - GRAND PARENTS AND ANYWHERE ELSE THAT THEY CAN FIND HELP. AND THE GOVERNMENT IS USING SOCIAL SECURITY FUNDS JUST BECAUSE IT IS THERE. PLEASE GIVE THIS SOME THOUGHT. THAT POWER INCREASE SHOULD NOT BE PUT ON US THAT WAY. THE WORLD WAS IN BAD ENOUGH SHAPE AS IT WAS BESIDES PUTTING THIS EXPENSE ON US. I UNDERSTAND THE CENTURY ALUMINUM EMPLOYERS MAKE \$60,000 TO \$62,000 PER YEAR. MOST EVERY ONE ELSE MAKES MUCH LESS THAN THAT. HOW CAN LIFE LIKE THIS CONTINUE?
