Correction: Case 2013-00332  
Correction: Commercial Propane, not Consolidated (typo)

We support the sale to Commercial Propane provided the current pipeline delivery system and facilities remain in place. Thank you and sorry for the error in case number and company name in original email.

> We are homeowners in the Old Bridge subdivision in Danville, Kentucky. This letter is in support of Consolidated Propane's proposed purchase of Amerigas,dba Brights Bottle Gas. Based on the information presented it appears that the proposed new owner plans to keep the current pipeline and facilities in place . Based on this understanding, we are very much in favor of the sale to Consolidated Propane.

Ky Public Service Commission

Re: Case # 2013-00332 and # 2014-00250

Dear Mr. DeRouen

I am writing as a homeowner who does not actually have a propane connection to the current "pipeline" as discussed in this case. However, even though I do not have a pipeline connection to my home, I would enjoy

having the ability to add a hookup in the future if I so desired vs having to bury a tank in my back yard. It is for that reason that I am pleased to learn that AmeriGas Partners L.P. and Commercial Propane Service LLC have reached an agreement for the sale and purchase of the assets in Old Bridge Subdivision, Danville, Ky.

It is understood that Commercial Propane Service LLC will continue the service of AmeriGas (Bright's) and keep the propane tank and pipeline in place. If this is indeed the situation, I wholeheartedly approve the acquisition.

Thank you for your consideration.

Sincerely,

Mike Jamison

To whom it may concern,

As a 20 year resident of Old Bridge Golf Club, I am writing to support retaining the propane-utility service as it now exists here at Old Bridge by selling the Amerigas Old Bridge tank to Commercial Propane Service.

I appreciate all the hard work of those involved in this project to seeing that our service remains the same as it has for so many years and I look forward to continued good service from Commercial Propane.

Thank you.

To the Public Service Commission of Kentucky:

We are one of the families that have propane service in Old Bridge Neighborhood of Danville, Kentucky. We do support the Old Bridge Neighborhood propane system transfer to Commercial Propane from Amerigas as long as the existing big tank is kept as our source of propane.
