Comments: We enjoy our Electric

- Too much increase -
- 5% increase would be better for my families

We have 3 household total  
Electric

1. Mother 92 year of age
2. My wife and self 65-67 year old on a small Farm
3. Our Son - his wife and - <sup>both of them working good jobs.</sup> 3 children
  - a. Oldest child getting ready to go to college

4. My friends have already switch to gas or wood.

I do not want to change heat source. Thank you.
