Dear Sir

PUBLIC SERVICE  
COMMISSION

I'm writing in response  
To K & Util. Proposed Rate  
increase. 2014-371

The proposed 9.5% increase  
seems excessive. I like K & Util.  
They give good service and are  
nice local people to deal with but  
with Oil and Gas at relative  
low prices, this rate increase  
seems to be just Greedy and  
Unfair.

Thank you for your attention.
