ORDER

On December 23, 2014, Kentucky Power Company ("Kentucky Power") tendered for filing an application for an adjustment of its rates for electric service based on a historical test period. The application proposed that the new rates become effective on January 23, 2015. Having reviewed Kentucky Power's application, the Commission finds that an investigation will be necessary to determine the reasonableness of the proposed rates and that the investigation cannot be completed by January 23, 2015. Therefore, pursuant to KRS 278.190(2), the Commission will suspend the effective date of the proposed rates for five months.

The Commission expects the parties to use their best efforts to informally resolve any discovery disputes or requests for extensions of time. Absent informal resolution, an objection or motion should be filed at least four business days prior to the established due date. If this deadline is not met, the filing party should

include in the written objection or motion a full and complete explanation for such failure.

IT IS THEREFORE ORDERED that:

1. Kentucky Power's proposed rates are suspended for five months, up to and including June 22, 2015.

2. The procedural schedule set forth in the Appendix to this Order shall be followed.

3. a. Kentucky Power, pursuant to 807 KAR 5:001, Section 8, is to file with the Commission the original and three copies in paper medium, and an electronic version of the following information. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or an association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. A party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. A party filing a document containing personal information shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the document so that personal information cannot be read.

4. Any party filing testimony shall comply with the electronic filing procedures set forth in 807 KAR 5:001, Section 8, and shall file with the Commission three additional paper copies. The original and the paper copies should be appropriately bound, tabbed and indexed.

5. Any person who submits a motion to intervene after January 20, 2015, and, upon a showing of good cause is granted full intervention, shall accept and abide by the existing procedural schedule.

6. Kentucky Power shall give notice of the hearing in accordance with the provisions set forth in 807 KAR 5:001, Section 9(2)(b). At the time publication is requested, Kentucky Power shall forward a duplicate of the notice and request to the Commission.

7. At any public hearing in this matter, neither opening statements nor summarization of direct testimonies shall be permitted.

8. Any objections or motions relating to discovery or procedural dates shall be filed upon four business days' notice or the filing party shall explain, in writing, why such notice was not possible.

9. Motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

10. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
