COMMISSION STAFF'S REQUEST FOR INFORMATION  
TO THE KENTUCKY SCHOOL BOARDS ASSOCIATION

The Kentucky School Boards Association ("KSBA"), pursuant to 807 KAR 5:001, is to file with the Commission the original and three copies in paper medium and an electronic version of the following information. The information requested herein is due no later than April 20, 2015. Responses to requests for information in paper medium shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

KSBA shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which KSBA fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, KSBA shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to the Testimony of Ronald L. Willhite ("Willhite Testimony"), page 7, lines 41-43. State from which "applicable customers" KSBA proposes additional DSM School Energy Management Program funding would be recovered.

2. Refer to the Willhite Testimony, page 9, lines 1-4.

- a. Confirm that Mr. Willhite is recommending that Kentucky Power Company be directed to add a new tariff, Rate LGS-School, with lower rates than the current LGS tariff. If this cannot be confirmed, explain the recommendation. If this can be confirmed, provide the rates that Mr. Willhite would propose for the new tariff.

b. If a LGS-School tariff were created, state whether Mr. Willhite would recommend that all school accounts automatically be moved to the tariff or that schools would be required to request it.
