BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF THE CITY OF IRVINE)	
UTILITY COMMISSION TO ACQUIRE THE)	CASE NO.
FACILITIES OF THE ESTILL COUNTY WATER)	2014-00425
DISTRICT NO. 1)	

ORDER

On December 4, 2015, the city of Irvine Utility Commission and the Estill County Water District No. 1 (jointly "the Petitioners") filed an application requesting Commission approval of the transfer of ownership and control of Estill County Water District No. 1's sewer facilities and operations to the city of Irvine Utility Commission.

KRS 278.020(6) requires the Commission to render its final decision on the proposed transfer within 60 days of the filing of the application unless it is necessary, for good cause, to continue the application. If good cause for an extension exists, the Commission may extend the review period for an additional 60 days.

Commission Staff issued a request for information to the Petitioners on December 30, 2014, and the Petitioners filed their responses on January 13, 2015, supplemented by additional information on January 14, 2015. The Commission finds good cause to extend the 60-day period for a decision set forth in KRS 278.020(6) for an additional 60 days so that it can review and fully consider the responses. Notwithstanding our action this day, the Commission will endeavor to expedite the completion of our review.

IT IS THEREFORE ORDERED that the time in which the Commission shall render its decision on the Petitioners' application is extended an additional 60 days, pursuant to KRS 278.020(6).
