14 **MOTION TO INTERVENE**

15 Pursuant to K.R.S. §278.310 and 807 KAR 5:001, Section 4(11), Khanjee Infrastructure
16 Development, LLC (“Khanjee”) requests that it be granted full intervenor status in the above-captioned
17 proceeding and states in support thereof as follows:

18 1. Khanjee is an Independent Power Producer who made proposals of a 746 MW Combined Cycle
19 Combustion Turbine in response to the Request for Proposals by LG&E/KU which resulted in
20 LG&E/KU’s filing with the PSC to self-build at Green River.

21 2. The matters being decided by the Commission in this case may have a significant impact on the
22 rates paid by LG&E/KU consumers for electricity.

23 Khanjee’s purpose for seeking to participate in this matter is its interest in helping
24 the Commission to ascertain that available alternatives to the proposals of the joint
25 applicants have been adequately and thoroughly studied and considered. Khanjee’s
26 special interest in this proceeding is not and cannot be represented by any other party.
