Joint Application of Louisville Gas and Electric Company and Kentucky Utilities Company for a Certificate of Public Convenience and Necessity for the Construction of a Combined Cycle Combustion Turbine at the Green River Generating Station and a Solar Photovoltaic Facility at the E.W. Brown Generating Station

Pursuant to an Order issued on August 29, 2014, an informal conference was held at the Commission's offices on September 4, 2014. A list of the attendees is attached hereto. The purpose of the informal conference was to allow the parties an opportunity to engage in settlement discussions relating to the proposed Brown solar facility.

Following several rounds of discussions, the parties agreed to have a draft settlement agreement circulated by September 10, 2014. The parties also agreed to provide any comments to the draft agreement by September 18, 2014 and a conference call scheduled for September 22, 2014 to discuss the agreement. A final version of the settlement agreement is targeted for September 26, 2014.

There being no further discussions, the informal conference was adjourned.
