APPLICATION OF BULLITT UTILITIES, INC.,)

NECESSITY, AND SURCHARGE FOR SAME) 2014-00255

ATTORNEY GENERAL'S PREHEARING STATEMENT

Comes now the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention, and responds to the Commission's Procedural Order dated 15 May 2015. The Attorney General states that he will not call any witnesses during the 9 June 2015 hearing, but he reserves the right to cross-examine any witnesses that are called to testify. Further, the Attorney General does not at this time intend to present as an exhibit any document not previously filed with the Commission. All documents that will be used as exhibits by the Attorney General during the proceeding have previously been submitted into the record in either case No. 2014-00255 or case No. 2014-00163. Because Bullitt Utilities has failed to meet certain deadlines to file information required by Commission Order dated 28 May 2015, the Attorney General cannot at this time state with any certainty exactly what documents he may present as exhibits at the hearing. Further, the Attorney General reserves the right to present as exhibits during the hearing any documents not previously entered into the record, should those documents be necessary to rebut any evidence Bullitt Utilities produces between now and the date of the 9 June 2015 hearing.
