MOTION FOR USE OF ELECTRONIC FILING PROCEDURES

Pursuant to 807 KAR 5:001, Section 8, Cannonsburg Water District (“Cannonsburg District”) moves that the Public Service Commission (the “Commission”) allow the use of electronic filing procedures in this proceeding. In support of its motion, Cannonsburg District states:

1. The Commission’s Rules of Procedure permits an applicant to elect the use of electronic filing procedures in a proceeding.¹ While those Rules suggest a preference for an applicant to make its election prior to the submission of its initial papers initiating a proceeding, those Rules do not prohibit an applicant from requesting the use of electronic filing procedures after the proceeding has been initiated.

2. The undersigned counsel would prefer to use electronic filing procedures because it will reduce Cannonsburg District’s costs associated with this

case. The Commission has previously granted motions to process a case under the electronic filing procedures after the party filed the application.²

3. Requiring the use of electronic filing procedures will not prejudice any potential party, the public, or the Commission. It will reduce the cost of these proceedings to all potential parties by reducing the number of copies of any document that must be produced in paper medium, ensure a more rapid and timely distribution of documents to potential parties and the Commission, and allow for greater transparency and public awareness by enabling the documents' immediate posting to the Commission's website.

4. Cannonsburg District and its authorized representatives have registered with the Commission's E-Filing System and are authorized to make electronic filings with the Commission.

5. Cannonsburg District and its authorized representatives possess the facilities to receive electronic mail transmissions.

6. Cannonsburg District's authorized representatives and their e-mail addresses for electronic delivery of notices of filing of documents are set forth in Cannonsburg District's Entry of Appearance filed on August 23, 2018.

7. Cannonsburg District and its authorized representatives have read and understand the procedures for electronic filing set forth in 807 KAR 5:001 and will
