MEMORANDUM IN SUPPORT

Pursuant to 807 KAR 5:001, Section 5 and 9, Total Call Mobile, Inc. (“Total Call”) respectfully requests the Commission to establish an informal conference between Total Call and Commission Staff. 807 KAR 5:001, Section 5(1) states that “[a]ll requests for relief that are not required to be made in an application, petition, or written request shall be by motion. A motion shall state precisely the relief requested.” 807 KAR 5:001, Section 9(4) states that “[t]he commission... upon a motion of a party... may convene a conference in a case for the purpose of considering the possibility of settlement, the simplification or clarification of issues, or any other matter that may aid in the handling and disposition of the case”

Total Call requests that an informal conference be held via telephone, and that the conference call take place on **June 11, 2015 at 1:00 p.m. (EST)**. Total Call filed its application in this case on July 28, 2014. Staff has issued two sets of requests for information, which Total Call has responded to. Total Call believes that an informal conference will help further Staff’s consideration of Total Call’s application. It would also help Total Call garner a better understanding of the status of the Staff’s review of the application. Total Call’s goal in a conference would be to simplify and clarify any issues Staff may have, which will potentially “aid in the handling and disposition of the case.” This goal is consistent with 807 KAR 5:001, Section 9(4).

Total Call proposes that the conference take place on June 11, 2015. Because most of Total Call’s representatives are located in California, Total Call requests that the conference be held via telephone at 1:00 p.m. (EST). However, Total Call is more than willing to have a conference at another date if that is preferable for Staff.

Respectfully submitted,

Mark S. Yurick (94693)
