Re: K. U. Company
Case # 2014-00371

I am writing to ask & beg
you do not approve a
rate increase for the K U Co
Case # listed above. # 2014-00371

I am 87 years old and live
on Social Security. I cannot,
and citizens of Middlesboro, Ky, cannot,
afford another rate increase for
the K U Company. They got a
50 increase 2 years ago which
hurt at that time.

Again I plead with you, do not
permit this rate increase.

Thank you.
