\$10 TO \$18. Really?

My income increases 1.3% ANNUALLY ON AVERAGE.

80% really?

\$50 per refrigerator, \$16,000 for a tennis court!

who pays for that.

A lot of folks struggle mightily just to get by,

I know I do, and my friends. 80% really?

how do you justify that? And do you give

a tinker damn about anybody?

80% really?

PS

I already wear 3 shirts + a JACKET in my house.

Will I have to go to 4?
