PUBLIC SERVICE  
COMMISSION

Gentlemen:

I do hope you consider  
the increase Ky. Utilities  
is asking for and the  
effect it will have on  
families paying such  
a large increase. Please  
keep the increase reasonable.  
It seems everyone is asking  
for increase but my  
retirement stays the same.  
Thank you.

yours truly,  
Gwen K. McChesney
