My Name is Donna Brown
Shame on you, Kentucky is in
really bad shape yet you only
show the good parts of Ky you don't
show all the bussness shut down,
all the home empty how long the
food lines run, right now is
not a good time to be raising
any thing. Because im disabled,
and here in a freezing house
getting sicker. Having to beg like
this is killing my soul my L. M. C
is running over 300.00 a month, I'm
totally disabled and only get 700.00
I beg of the in all the holy please
no no more raises

Sincerely Donna Brown
