PUBLIC SERVICE COMMISSION 10M-00396

Public Service Commission of Kentucky:

This Letter is To protest an increase pending from Kentucky Power Co/AEP. We have lived at our present address for 9 1/2 years and have seen our bills increase over 100%. Since we are Retired and on a "Fixed" income, it is becoming increasingly difficult to keep up with the raises.

Please listen to the citizens of Kentucky and deny Kentucky Power their request at this time.

Thank you for your consideration,

Mrs. Albert Crank
