ORDER

On September 15, 2015, Kentucky Power Company ("Kentucky Power") filed an application pursuant to KRS 278.285 requesting approval to modify, implement, and discontinue certain of its Demand-Side Management ("DSM") programs and revised tariffs to recover costs associated with its DSM programs, including net lost revenues and program-related incentives. Kentucky Power proposes that the revised DSM tariffs become effective October 29, 2015. Based upon our initial review of Kentucky Power's proposed tariffs, the Commission finds that an investigation is necessary to determine the tariffs' reasonableness and that the investigation cannot be concluded prior to the proposed effective date. Therefore, pursuant to KRS 278.190(2), the Commission will suspend the effective date of the proposed tariffs and rates for five months.

IT IS THEREFORE ORDERED that:

1. Kentucky Power's proposed DSM tariffs are suspended for five months from October 29, 2015, up to and including March 28, 2016.

2. Kentucky Power's existing DSM programs and tariffs shall remain in effect pending the Commission's final Order in this proceeding.

3. The procedural schedule set forth in the Appendix, which is attached hereto and incorporated herein, shall be followed.

4. a. Responses to requests for information in paper medium shall be appropriately bound, tabbed, and indexed, and shall include the name of the witness responsible for responding to the questions related to the information provided, with the original in paper medium and an electronic copy to the Commission.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or an association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. A party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. Any party filing a document containing personal information shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the document so that the personal information cannot be read.

5. Any party filing testimony shall file with the Commission an original in paper medium and an electronic copy. The original in paper medium shall be appropriately bound, tabbed and indexed.

6. Motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

7. A person who submits a motion to intervene after October 15, 2015, and, upon a showing of good cause, is granted full intervention shall accept and abide by the existing procedural schedule.

8. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
