COMMONWEALTH OF KENTUCKY BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF KENTUCKY-AMERICAN
WATER COMPANY FOR AN ADJUSTMENT OF
RATES

CASE NO.
2015-00348

COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION TO KENTUCKY-AMERICAN WATER COMPANY

Kentucky-American Water Company ("Kentucky-American"), pursuant to 807 KAR 5:001, is to file with the Commission the original in paper medium, one paper copy, and an electronic version of the following information. The information requested herein is due within 14 days of the date of this request. Responses to requests for information in paper medium shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Kentucky-American shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Kentucky-

American fails or refuses to furnish all or part of the requested information, Kentucky-American shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. A party filing a paper containing personal information shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

- List each of Kentucky-American's sewer facilities.
- List each Kentucky-American facility and contract operation that is not subject to the Commission's regulation.
- 3. a. Provide a copy of the work papers and calculations that Kentucky-American used to develop its forecasted test-period financial information. The work papers for water service revenues shall state separately the projected number of customers for each customer class that will be billed monthly, bi-monthly, quarterly, and at other intervals.
- State all assumptions that Kentucky-American used to develop its forecasted test-period financial information.
- c. Provide the work papers, calculations, and assumptions requested in Item 3(a) on a CD-ROM in Microsoft Excel format

- 4. a. State whether Kentucky-American's internal accounting manuals, directives, policies, and procedures that were submitted in Case No. 2010-00036¹ have been modified, amended, or replaced.
- b. If any of the documents identified in Item 4(a) have been modified, amended, or replaced, provide a complete copy of the current document and identify the sections that differ from the document provided in Case No. 2010-00036.
- Provide a complete copy of all Kentucky-American budget instructions, assumptions, directives, manuals, policies and procedures, time lines, and descriptions of budget procedures.
- 6. a. Provide a comparison of Kentucky-American's monthly operating budgets to the actual results, by account, for each of the following calendar years: 2009 through 2014. Kentucky-American's response shall include comparisons for the following major expense categories:
 - Fuel and Power Expense;
 - (2) Chemical Expense;
 - (3) Management Fee Expense;
 - (4) Customer Accounting Expense;
 - (5) General Office Expense;
 - (6) Miscellaneous Expense; and
 - (7) Maintenance Expense.

¹ Case No. 2010-00036, Application of Kentucky-American Water Company for an Adjustment of Rates Supported by a Fully Forecasted Test Year, Kentucky-American's Response to the Commission Staff's First Set of Information Requests, Item 2, filed Mar. 16, 2010.

- b. Provide, for each yearly account variance that exceeds 5 percent, a
 detailed explanation for the variance.
- Provide a reconciliation and a detailed explanation of each difference, if any, in the capitalization and the net investment rate base of Kentucky-American for the base period.
- 8. Provide a rate base, capital structure, and statement of income for Kentucky-American for the most recent actual 12-month period at the time of the company's application for rate adjustment and for the base period used in the company's application. Provide detailed explanations necessary to reconcile this information with the filed base-period revenue-requirement information.
- Describe the process that Kentucky-American uses to plan and approve construction projects.
- Provide Kentucky-American's long-term construction planning program in effect as of the date of the filing of Kentucky-American's application.
- 11. a. For each construction project that Kentucky-American has commenced from January 1, 2005, through December 31, 2014, provide the information listed below in the format contained in Schedule 1:
 - (1) Project number;
 - (2) Project title and description;
 - (3) Annual actual cost;
 - (4) Annual original budgeted cost;
- (5) Variance between annual actual cost and annual original budgeted cost in dollars;

- (6) Variance between annual actual cost and annual original budgeted cost as a percentage;
- (7) Percentage of total construction budget that the proposed project comprises for the budgeted year;
 - (8) Total actual project cost;
 - (9) Total budgeted project cost;
- (10) Variance between total actual project cost and total budgeted project cost;
 - (11) Date the original budget projected the project to start;
 - (12) Date the original budget projected the project to be completed;
 - (13) Date construction of project actually commenced; and
 - (14) Date construction of the project was actually completed.
- b. For each project in which a variance between actual and budgeted cost occurred, or in which a delay in its start or completion occurred, describe the variance or delay and the reasons for such variance or delay.
- c. Provide the information requested in 11(a) and 11(b) for the calendar
 year 2015 when available.
- d. Provide a copy of the construction budget variance information
 requested in Item 11(a) and 11(c) on a CD-ROM in Microsoft Excel format.
- 12. Provide, in the format provided as Schedule 2, an analysis of the Construction Work in Progress as defined in the Uniform System of Accounts for the 12-month period preceding the base period, the base period, and the forecasted test period.

- 13. For each construction project listed in Kentucky-American's response to Item 11, provide the information listed below in the format contained in Schedule 3:
 - Project number;
 - Date on which construction began;
 - Estimated date of project completion;
- d. Time elapsed since the beginning of construction as a percentage of total estimated time of construction;
 - e. Original budget estimate of project's cost;
 - Most recent budget estimate of project's cost;
 - g. Total expenditure on project; and
 - h. Total project expenditure as percentage of total budgeted estimate.
- 14. Provide a copy of all schedules presented in the cost-of-service study, electronically, on a CD-ROM in Microsoft Excel format, allowing for the review of and unrestricted access to the underlying formulas.
- 15. a. Provide Kentucky-American's budgeted and actual regular wages, overtime wages, and total wages by employee group, by month, for the most recent two years available in the format provided as Schedule 4. Kentucky-American shall supplement its response as further information becomes available.
- b. For each variance that exceeds 5 percent in a monthly period, state the reasons for the variance.
- Provide a complete copy of all wage, compensation, and employee benefits studies, analyses, and surveys that Kentucky-American has conducted, commissioned, or used.

- 17. State for each employee group the amounts, percentages of increase, and effective dates for general wage increases and, separately, for merit increases granted for calendar years 2009 through 2014, the base period, and the forecasted period.
- 18. a. Identify the amounts of incentive pay that are included in base year and forecasted labor. Describe the incentive pay plans and explain why such a plan is necessary and reasonable.
- b. List each Kentucky-American employee who is eligible to participate in the incentive pay program.
- c. State the level of incentive pay awarded to all individuals participating in the program for the previous five calendar years compared to the level of incentive pay available to each participant in the forecasted period.
- d. For the previous five calendar years, provide a comparison of the incentive pay that was budgeted to the actual amounts paid in each year. Include detailed explanations for any variance between the budgeted and actual payments.
- 19. a. Provide complete details of each early retirement plan and employeereduction program that Kentucky-American or American Water Works Company
 ("American Water") intends to offer to its employees during the base period and the
 forecasted test period.
- b. For each program listed above, provide all cost-benefit analyses or studies upon which the program is based.
- 20. a. List all fringe or other employee benefits available to Kentucky-American employees and indicate which benefits, if any, are limited to management employees.

- b. For each benefit listed above, state the expected cost of each benefit in the base period and the forecasted test period and its historical cost for each of the five years preceding the base period.
- c. List each change in fringe or other employee benefits or the availability of such benefits that has occurred within five years of the start of the base period.
- 21. List separately the budgeted and actual number of full- and part-time employees by employee group, by month and by year, for the five years immediately preceding the base period, the base period, and the forecasted period.
- 22. Provide a detailed description of each Other Post-retirement Employee Benefits ("OPEB") package that Kentucky-American or American Water provides to Kentucky-American employees.
- 23. Provide all employment contracts between Kentucky-American and its non-management employees that are currently in effect and the most recent contracts previously in effect.
- 24. Provide a complete copy of each group medical insurance policy that Kentucky-American currently maintains for its employees.
- 25. a. Provide a copy of the most recent actuarial study that was performed to calculate Kentucky-American's annual accrual of pension costs and OPEB costs for accounting purposes.
- b. If not already provided in response to Item 3, provide the analysis used to determine the pension costs and OPEB costs that are included in the forecasted test year. This analysis should clearly state all assumptions used in the analysis.

- c. Explain any differences in the assumptions used in the actuarial study provided in response to Item 25(a) and the assumptions used in the analysis provided in response to Item 25(b).
- d. Provide a summary of all changes that have been made to Kentucky-American's pension plans and OPEB plans during the previous ten years that were intended to mitigate their costs.
- e. State and explain all future changes that are anticipated to be made to Kentucky-American's current pension plans and OPEB plans that are intended to mitigate their future costs.
