RE: Case No. 2015-0231

To Whom It May Concern:

This letter is to inform you that we own surface property just adjacent to the proposed referenced tower and the coal that underlies the site. After receiving the letter from East Kentucky Network dated July 24, 2015, we visited the site to confirm the location. We are now in the process of evaluating the underlying coal and we are requesting that our ownership be considered in your decision.

Sincerely,

Todd Tackett, P.G.
Chief Geologist
