I am protesting your intent to put a new facility to provide cellular telecommunications service in Magoffin County. I do not want your facility to go in 500 feet from my property, it is very unsightly, causing my property to be worth less since we have a beautiful applicon house site with paved road frontage. Our 25 acres are applicon beauty for the construction of a house and your facility will take away from the beauty of the land and location. You may contact me at [REDACTED] or mail
