To Whom it May Concern,

I am so Disappointed that Bull's  
Co. Sanitation would ask the people  
in Hunter Hollow District to pay  
this much more on the month  
I live on Social Security, I  
am a 74 year old widow we have  
had a raise in Social Security  
for 2 years a Cost of Living Rais  
they gave us a small one this  
year and Medicare took it. The  
Hou. Water Co. Raised the Water  
Bill eight Dollars last year we  
can't buy Food and medicine now  
another \$17.00 out month we just  
can't do it. I live behind a Sewer  
Plant now me and my husband and  
my next door neighbor have Cancer  
and we Beive the Polluted air coming  
off that plant is the Reason. We  
have never seen Documentation of the  
previous owner what he did with  
money. Would you please, please  
Reconsider this before you pass  
The Raise.

Thank You  
Jody Wilson
