

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INQUIRY INTO THE STATE
UNIVERSAL SERVICE FUND

)
)

CASE NO.
2016-00059

ORDER

On February 1, 2016, the Commission, on its own motion, initiated this administrative proceeding to investigate the current and future funding, distribution, and administration of the Kentucky Universal Service Fund ("KUSF"), which provides supplemental support for authorized telecommunications carriers that also participate in the federal Lifeline program. The Commission stated that the need for the investigation arose from the projected depletion of the KUSF by April 2016, at which time the fund will no longer be able to meet its monthly obligation, absent action to increase funding or reduce spending. The Commission named as parties the Attorney General's office; all Local Exchange Carriers; all commercial mobile radio service providers; and all eligible telecommunications carriers, and established a procedural schedule providing for the filing of testimony by parties, discovery, and an opportunity for a hearing.

In initiating this investigation, the Commission's February 1, 2016 Order cited the need to maintain the solvency of the KUSF and proposed to either temporarily raise the KUSF per-line surcharge from \$0.08 to \$0.14 or to temporarily lower the amount of state support. Any comments addressing either proposal were required to be filed no later than February 22, 2016.

The Commission received a total of nine joint and/or individual comments from the parties to the case, as well as three comments from members of the public. Four joint and/or individual comments¹ expressed support for the Commission's proposal to temporarily raise the per-line monthly surcharge from \$0.08 to \$0.14. Three joint/and or individual comments² were neutral regarding the proposed Commission action. Only East Kentucky Wireless, LLC d/b/a Appalachian Wireless supported reducing the KUSF support to \$2.00. The Attorney General proposed applying the "principles of gradualism," and suggested that the Commission increase the surcharge to \$0.12 and decrease the amount of KUSF support to \$2.75.

Based upon the recommendations, the Commission finds that the surcharge should be raised to \$0.14 on an interim basis while this proceeding is pending. We base our decision on a variety of factors, most notably the proportional impact of the increase in the surcharge versus a decrease in support. A six-cent increase in an average wireless customer's monthly bill is an approximate 0.13 percent increase. By comparison, a \$1.50 decrease in the amount of state support would result in a

¹ These comments are: 1) The joint comments of Airvoice Wireless, American Broadband and Telecommunications Company, Blue Jay Wireless, LLC, Budget Wireless, i-wireless LLC, Ready Wireless, and Telrite Corporation; 2) The joint comments of Ballard Rural Telephone Cooperative Corporation, Inc., Brandenburg Telephone Company, Inc., Duo County Telephone Cooperative Corporation, Inc., Foothills Rural Telephone Cooperative Corporation, Inc., Gearheart Communications Company, Inc., Highland Telephone Cooperative, Inc., Logan Telephone Cooperative, Inc., Mountain Rural Telephone Cooperative Corporation, Inc., North Central Telephone Cooperative Corporation, Peoples Rural Telephone Cooperative Corporation, Inc., South Central Rural Telephone Cooperative Corporation, Inc., Thacker-Grigsby Telephone Company, Inc., and West Kentucky Rural Telephone Cooperative Corporation, Inc.; 3) The individual comments of Cincinnati Bell Telephone Company LLC; and 4) The individual comments of Total Call Mobile, Inc.

² These comments are: 1) The joint comments of McLeodUSA Telecommunications Services, LLC, Network Telephone, LLC, Talk America, LLC, The Other Phone Company, LLC, US LEC of Tennessee, LLC, Windstream Communications, LLC, PAETEC Communications, LLC, Windstream KDL, LLC, Windstream Kentucky East, LLC, Windstream Kentucky West, LLC, Windstream Norlight, LLC, Windstream NTI, LLC, and Windstream NuVox, LLC; 2) The individual comments of BellSouth Telecommunications, LLC d/b/a AT&T Kentucky; and 3) The joint comments of MCIMetro Access Transmission Services LLC and CellCo Partnership.

significant rate increase in a Lifeline customer's bill. For example, Cincinnati Bell offers a Lifeline discount of \$12.75 per line for voice service. Cincinnati Bell offers basic local exchange service at \$18.30 a month, meaning that a Lifeline customer now pays approximately \$5.55 per month for basic service. A reduction of \$1.50 from the KUSF would lead to an approximate rate increase of 27 percent to the Lifeline customer's bill.

Also weighing heavily on our decision is that the majority of parties filing comments did not oppose the surcharge increase, and that the increase is temporary, pending the outcome of this investigation. We also note that a \$0.14 surcharge to support a state universal service fund is relatively modest compared to surcharges of other nearby states. For example, rather than a specific amount, Indiana and Illinois impose a monthly surcharge of 0.54 percent and 1.0941 percent respectively on the retail portions of a customers' bill. South Carolina imposes a surcharge of 2.6654 percent, and Georgia imposes one of 2.9 percent.

As in the past, for carriers maintaining tariffs with the Commission, this surcharge should be shown on the customer's bill as "Kentucky Lifeline Surcharge." Additionally, carriers that maintain tariffs with the Commission must submit to the Commission updated tariffs no later than March 15, 2016, to reflect the change in surcharge.

IT IS THEREFORE ORDERED that:

1. The surcharge for the Kentucky Lifeline Program shall, on an interim basis, be \$0.14 per access line per month beginning with bills rendered on and after the date of this Order, or, as soon as allowed by applicable contracts between customers and carriers.

2. By March 15, 2016, where applicable, carriers shall submit tariff revisions to reflect this change.

By the Commission
