In the Matter of:

AN INQUIRY INTO THE STATE
UNIVERSAL SERVICE FUND

CASE NO. 2016-00059

COMMISSION STAFF’S FIRST REQUEST FOR INFORMATION
TO BULLSOUTH TELECOMMUNICATIONS LLC D/B/A AT&T KENTUCKY

Bellsouth Telecommunications LLC d/b/a AT&T Kentucky ("AT&T Kentucky"), pursuant to 807 KAR 5:001, is to file with the Commission an original in paper medium and an electronic version of the following information. The information requested herein is due on or before April 27, 2016. Responses to requests for information in paper medium shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

AT&T Kentucky shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which AT&T Kentucky fails or refuses to furnish all or part of the requested information, it shall
provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When filing a paper containing personal information, AT&T Kentucky shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to the Direct Testimony of Tony Taylor, pages 3–4. Beginning on page 3, line 23, Mr. Taylor states that BellSouth needs at least 65 business days to provide notice to its customers of an increase in the surcharge or a decrease in the current Lifeline support amount.
   a. Provide the total number of access lines that require 65 business day notice.
   b. If there are accounts that require a different time period for providing notice of an increase in the KUSF surcharge or decrease in the Lifeline support amount, provide the time period required for all other accounts. If it differs by type of account, provide the information for each type of account, along with the number of access lines for each account type.
