If not, explain why the KUSF Form is not being filed and why collections not being submitted to the fund.

2. Refer to the Carriers' response to Commission Staff's Request for Information to All Parties, Item 2. Several of the individual responses state that, "[a]ctual Lifeline revenues that are credited for the month are tabulated, and then the revenues are divided by a discount rate to determine an effective number of customers. The effective number of customers is rounded to the nearest whole number." Explain why the credited revenues divided by the discount rate would not already be a whole number.
