CASE NO. 2016-00059

COMMISSION STAFF’S SECOND REQUEST FOR INFORMATION TO TOTAL CALL MOBILE, INC.

Total Call Mobile, Inc. ("Total Call"), pursuant to 807 KAR 5:001, is to file with the Commission an original in paper medium and an electronic version of the following information. The information requested herein is due on or before July 13, 2016. Responses to requests for information in paper medium shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person’s knowledge, information, and belief formed after a reasonable inquiry.
Total Call shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Total Call fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When filing a paper containing personal information, Total Call shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Total Call’s response to Commission Staff’s Request for Information to All Parties, Item 1. State whether the response indicates that Total Call is not collecting the Kentucky Universal Service Fund (“KUSF”) surcharge. If so, explain why Total Call is not collecting the surcharge. If not, explain why the KUSF Form is not being filed and why collections are not being submitted to the fund.

2. Refer to Total Call’s response to Commission Staff’s Request for Information to All Parties, Item 6. The response states that Total Call does not pass on the KUSF surcharge to its customers. Instead, Total Call Mobile would remit an amount equal to the surcharge that would otherwise be required of customers.” State the amount that has been submitted to the KUSF each year since Total Call became an eligible telecommunications carrier. If no remittances have been submitted to the KUSF
fund, explain why they have not been submitted. If remittances have been submitted, provide a copy of the KUSF forms that accompanied the remittances.
