ORDER

On February 1, 2016, the Commission, on its own motion, initiated this administrative proceeding to investigate the current and future funding, distribution, and administration of the Kentucky Universal Service Fund ("KUSF"), which provides supplemental support for authorized telecommunications carriers that also participate in the federal Lifeline program. The Commission named as parties, inter alia, all Local Exchange Carriers, all commercial mobile radio service providers, and all eligible telecommunications carriers ("ETC") (collectively "Carriers"). The Commission noted that some of the Carriers may not have an interest in this proceeding and allowed each Carrier that is not an ETC in Kentucky receiving both federal Universal Service Fund and state support the opportunity to file a written request setting forth the reasons why withdrawal as a party is appropriate.

On July 14, 2016, Credo Mobile, Inc. ("Credo") filed with the Commission a motion to withdraw or, in the alternative, an extension of time in which to respond to Commission Staff data requests. In its motion, Credo states that because it is not designated as an ETC in Kentucky, and thus does not participate in the Lifeline program, it cannot meaningfully contribute to this proceeding. Credo states that it
collects and remits the required KUSF surcharge and that if allowed to withdraw, it will monitor any compliance items affected by this proceeding.

Based upon the motion, we find that allowing Credo to withdraw from this proceeding should be granted. Because we will permit Credo to withdraw as a party to this proceeding, Credo's motion, in the alternative, for an extension of time to respond to Commission Staff data requests is moot and should be denied. Credo will continue to be subject to Commission jurisdiction, as set forth in KRS Chapter 278, and will be bound by any decision the Commission renders in this proceeding.

IT IS THEREFORE ORDERED that:

1. Credo's motion to withdraw is granted.

2. Credo's motion, in the alternative, for an extension of time is denied as moot.

3. Credo is no longer a party to this proceeding, and it shall be removed from the service list for this proceeding.

4. Credo shall continue to be subject to Commission jurisdiction as set forth in KRS Chapter 278, shall be bound by any Orders the Commission issues in this proceeding, and shall be served with any future Orders that affect the monthly KUSF surcharge.

By the Commission
