CASE NO. 2016-00370

ELECTRONIC APPLICATION OF LOUISVILLE GAS AND ELECTRIC COMPANY FOR AN ADJUSTMENT OF ITS ELECTRIC AND GAS RATES AND FOR CERTIFICATES OF PUBLIC CONVENIENCE AND NECESSITY

CASE NO. 2016-00371

COMMISSION STAFF'S SIXTH REQUEST FOR INFORMATION TO KENTUCKY UTILITIES COMPANY AND LOUISVILLE GAS AND ELECTRIC COMPANY

Kentucky Utilities Company and Louisville Gas and Electric Company (jointly "KU/LG&E"), pursuant to 807 KAR 5:001, are to file with the Commission an original with six copies in paper medium and an electronic version of the following information. The information requested herein is due on or before May 5, 2017. Responses to requests for information in paper medium shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and
accurate to the best of that person’s knowledge, information, and belief formed after a reasonable inquiry.

KU/LG&E shall make timely amendment to any prior response if they obtain information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which KU/LG&E fail or refuse to furnish all or part of the requested information, they shall provide a written explanation of the specific grounds for their failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, KU/LG&E shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the document so that personal information cannot be read.

1. Refer to KU/LG&E’s response to Commission Staff’s Fourth Request for Information (“Staff’s Fourth Request”), Item 1, Attachment 1, page 3 of 5.

   a. For the forecasted test year, provide the amount of healthcare/medical insurance expense KU/LG&E would have incurred, assuming the total cost equals the premium for each level of coverage plus the deductible, and that for single coverage the employee would pay 21 percent of the total cost, and for all other types of coverage the employee would pay 32 percent of the total cost, compared
to the amount of health/medical insurance expense included in the test year. The amount should be calculated as follows: Total Healthcare/Medical Cost = Company paid portion of premium + Employee Contribution to premium + Employee Deductibles. The response should include all parts of this equation.

b. Using the same assumptions as in Item 1.a. above, provide the amount that KU/LG&E would have incurred in the forecasted test year, sub-totaled by employee class, i.e., Executive, Exempt, Non-Exempt, etc., if only the non-union employees were required to pay for coverage based on the percentages listed in Item a. above compared to the amount of health/medical insurance expense included in the test year.

c. For the forecasted test year, provide the amount of dental insurance expense LG&E/KU would have incurred, assuming the total cost equals the premium for each level of coverage plus the deductible, and that for single coverage the employee would pay 21 percent of the total cost, and for all other types of coverage the employee would pay 32 percent of the total cost, compared to the amount of dental insurance expense included in the test year. The amount should be calculated as Total Dental Cost = Company-paid portion of premium + Employee Contribution to premium + Employee Deductibles. The response should include all parts of this equation.

d. Using the same assumptions as in Item c. above, provide the amount of dental insurance expense that KU/LG&E would have incurred in the forecasted test year, sub-totaled by employee class, i.e., Executive, Exempt, Non-Exempt, etc., if only the non-union employees were required to pay for coverage based
on the percentages listed in Item c. above compared to the amount of dental insurance expense included in the test year.

e. For the forecasted test year, provide the amount of long-term disability expense KU/LG&E would have incurred, assuming the total cost equals the premium for each level of coverage and if employees are required to contribute to the plan cost.

f. Provide the number of all employees with life insurance coverage over $50,000 and the total cost of the life insurance paid by KU/LG&E for coverage above the $50,000 threshold for all such employees.

g. Provide the maximum level of life insurance coverage that KU/LG&E pay for its employees.

h. Confirm that KU/LG&E does not provide company-paid life insurance coverage in excess of $50,000 for union employees.

2. Refer to KU/LG&E's response to Staff's Fourth Request, Item 1, Attachment 3, page 1.

   a. State whether the amounts listed under Incentive/Bonus are recorded as an expense on the books of KU/LG&E and included for ratemaking purposes, or are paid by shareholders.

   b. Explain how the Incentive/Bonus is determined.

3. Refer to KU/LG&E's response to Staff's Fourth Request, Item 6.
a. State whether there are employees who participate in both the Retirement Plan – eligible if hired prior to 1/1/06 – and the 401(k) Savings Plan Company Match.

b. If the answer to Item 3.a. above is affirmative, state which employee classes are participating, i.e., Executive, Exempt, Non-Exempt, Union, Wage, etc., and the number of employees participating.

c. If the answer to Item 3.a. above is affirmative, provide the total amount and sub-total amounts by employee grouping that were paid by KU/LG&E under the 401(k) Savings Plan Company Match for those identified employees.

d. State whether employees can participate in both the Savings Plan Retirement Income Account (RIA) – eligible if hired or rehired after 1/1/06 and the 401(k) Savings Plan Company Match.

e. If the answer to Item 3.d. above is affirmative, state which employee classes are participating, i.e., Executive, Exempt, Non-Exempt, Union, Wage, etc., and the number of employees participating.

f. If the answer to Item 3.d. above is affirmative, provide the total amount and sub-total amounts by employee grouping that were paid by KU/LG&E under the 401(k) Savings Plan Company Match for those identified employees.
