CONVENIENCE AND NECESSITY AND	)	2016-00026
APPROVAL OF ITS 2016 COMPLIANCE PLAN	)	
FOR RECOVERY BY ENVIRONMENTAL	)	
SURCHARGE	)	

MINUTES OF THE INFORMATION SESSION AND PUBLIC MEETING  
BLUEGRASS COMMUNITY AND TECHNICAL COLLEGE  
LEXINGTON, KENTUCKY  
MAY 26, 2016 5:30 P.M.

A public information session and public meeting was held at Bluegrass Community and Technical College, Leestown Road Campus, on May 26, 2016, at 5:30 p.m. E.D.T. Andrew Melnykovich, Director of Communications for the Public Service Commission, conducted the information session and explained the procedure and protocol for the information session and the public hearing. Mr. Melnykovich then presented an overview of the legal basis, criteria and review process for the Commission's consideration of the application of Kentucky Utilities Company ("KU") for certificates of public convenience and necessity to construct new facilities and for approval of KU's 2016 Environmental Compliance Plan for purposes of recovering compliance costs through its Environmental Cost Recovery Surcharge tariff. The presentation included a general overview of the instant application, explained which aspects of this case are within the Commission's jurisdiction, and concluded with a question-and-answer period with Commission Staff.

At the conclusion of the information session and after a short intermission, Commissioner Robert Cicero initiated the public hearing portion of the meeting, providing a brief overview of the case at bar, the parties involved, and setting forth the procedure and protocol for the taking of comments. Commissioner Cicero then invited the public to make comments to the Commission regarding KU's application for certificates of public convenience to construct new facilities and for approval of its 2016 Environmental Compliance Plan. No members of the public chose to make a comment. The meeting was then adjourned.

All persons in attendance were asked to sign in and provide their home address for the record. The sign-in sheet is attached hereto as Appendix A.
