Public Service  
Commission

Dear Sir

I am writing to you about the change in residential rates for Mountain Rural Telephone Coop Corp. said has or will file with the Ky. public Service Commission

I am now ~~Paying~~ \$35.99 a month, that's no long distance calls either.

I am a widow and as you know, Banks are not paying any interest on checking accounts to mount up anything.

I'll be 85 May 13-2016

So please do not raise any more. Thank you,
