Re: Case No: 2016-00059 – An Inquiry Into The State Universal Service Fund

Dear Mr. Greenwell,

Knology of Kentucky, Inc. (“Knology”) was granted CLEC and IXC status by the Kentucky Public Service Commission in 2000. For a variety of reasons, Knology has never offered retail telecommunications services in the Commonwealth of Kentucky. Knology kept its CLEC and IXC status active in case plans changed. It is now clear, unfortunately, that Knology will not be launching retail telecommunications services in Kentucky in the near future. We are currently working with Commission staff in order to change our status to inactive. Nonetheless, enclosed you will find an original plus ten copies of Knology’s response to the Commission Staff’s first request for information regarding the state universal service fund.

Should you require additional information, please do not hesitate to contact me. I can be reached at (706) 645-3966 or via email at bruce.schoonover@wowinc.com.

Sincerely,

Bruce Schoonover, Jr.
Director – Regulatory Compliance
Knology, Inc.
