

Request for rates
not to be increased.

12-13-16

To whom it may concern,

My name is Tyler Atchley and I have had electric through KU for almost 3 years now. I have favored KU's lower rates over my previous provider. With that being said I do not wish for my rate to increase in January 2017. My family and I try to conserve energy as much as possible just to be able to pay our bill as it is. I do not want my rates to increase.

Thank you,
Tyler Atchley
