To whom it May Concern,

In Reference to CASE No. 2016-00370
Kentucky Utilities Company "proposed" rate
increase.

Nello, I am a KUL residential
Customer in Danville Ky. I am a Widow
on a fixed income. I try to live frugally,
and within my means. For whatever its
worth (in the day Big Business doing and taking
whatever it wants with NO consideration of those
with lesser and ^{of} more common
means))

I oppose such a price
electric
Hike to our Monthly Bill.

That equals to 85.00 +
more per year. →

Salvation is found in
no one else,
for there is no other name
under heaven given
to men by which
we must be saved."
Acts 4:12

Many do not care about such an increase,
perhaps they have much and it is of no
consequence in the scheme of their lives.

Others pay and do not pay attention
just going along (as I suppose I am forced to do)
with whatever is presented to them.

I for one protest to this and
ask that you would consider this

in light of those that do not
have much... Please let the
widow's mites go further

Sincerely

Lesley Mullen
