Dear P.I.O.,

13 MAR 2017 PM 11

Please note my opposition to a flat rate monthly service charge for LG & E & KU utilities. I am a LG & E/KU customer. A flat rate increase unfairly financially impacts those that use less utilities. It makes no sense that I would pay the same fee for my \$103 use as the

household that has a usage bill in excess of \$103. Rate should be proportional to use.
