IN THE MATTER OF:

ELECTRONIC APPLICATION OF BULLITT)
UTILITIES, INC. FOR A SURCHARGE)

CASE NO. 2016-00401

MOTION OF CITY OF HUNTERS HOLLOW, KENTUCKY

**** * * * * *

Now comes City of Hunters Hollow, Kentucky (Hunters Hollow) and moves that it be granted full intervention herein. In support of this motion, Hunters Hollow states as follows:

1. City of Hunters Hollow, Ky's address is 11300 Angelina Road, Louisville, Bullitt County, Kentucky 40229, no email address.

2. Hunters Hollow is a home rule municipal corporation of the Commonwealth of Kentucky and all of its residents and citizens were previously served by Bullitt Utilities and although not currently served by Bullitt Utilities would be directly impacted by any surcharge that may be imposed. These residents and citizens who inhabit the 150 homes and apartments and several businesses are now served by the Bullitt County Sanitation District as Bullitt Utilities legally abandoned any obligation to provide service to these homes and apartments and businesses. The outcome of this case will affect the individual citizens and businesses located within the municipal boundary, will have a direct economic impact on the ability of the City to insure sanitary sewer service at a reasonable rate to its current and future residents and businesses.

3. Hunters Hollow should be permitted to intervene because its interest are not otherwise adequately represented by any other party. Further its intervention will likely present

issues or develop facts that may assist the Commission in full consideration of the matter without unduly complicating or disrupting the proceedings and without prejudice to any other party.

WHEREFORE, Hunters Hollow moves to be granted full intervention and that it be afforded any and all relief to which it may appear entitled.

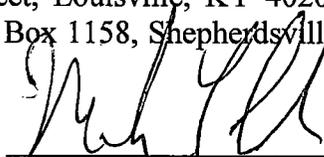

Respectfully submitted,
