Dear Sir

I am begging you to please ~~do not~~ <sup>do</sup> not  
approve of this outrageous gas rate like  
you the Western Ky. Rite of Water & Gas did

I am almost 75 years old & a widow I  
live on Social Security & some savings, that I  
fear will run out if I live long enough  
I have more bad visits & prescriptions than ever  
before. Everything price wise is out of  
control. I don't keep my home as warm  
now as I would like, so if this rate increases  
I don't know what people are going to  
do. our electric bill has percent surcharge  
the new sewer that we had to take, way out  
here in the county is an overlash also.  
18.40 per foot 1000 gas. Is it a constant  
worry <sup>now</sup> we are going to pay on bills - Heat  
& Water is just basic needs of all God's People

Thank You

A Western Ky. Rite of Water & Gas  
Customer

I live in Lewis County
