In the Matter of:

APPLICATION OF MUHLENBERG)
 COUNTY WATER DISTRICT #3)
 REQUESTING DEVIATION FROM) CASE NO. 2016-00421
 REQUIREMENTS OF 807 KAR 5:066,)
 SECTION 4(4))

MOTION FOR USE OF ELECTRONIC FILING PROCEDURES

Pursuant to 807 KAR 5:001, Section 8, Muhlenberg County Water District #3 (“MCWD3”) moves that the Public Service Commission (“the Commission”) require the use of electronic filing procedures in this proceeding. In support of its motion, MCWD3 states:

1. The Commission’s Rules of Procedure permits an applicant to elect the use of electronic filing procedures in a proceeding.¹ While those Rules suggest a preference for an applicant to make its election prior to the submission of its initial papers initiating a proceeding, those Rules do not prohibit an applicant from requesting the use of electronic filing procedures after the proceeding has been initiated.

2. MCWD3 was previously represented in this case by different counsel. MCWD3’s current counsel would prefer to use electronic filing procedures because it will reduce MCWD3’s costs associated with this case. The Commission

¹ 807 KAR 5:001, Section 8.

has previously granted a motion to process a case under the electronic filing procedures after the party filed the application.²

3. Requiring the use of electronic filing procedures at this early stage in the proceedings will not prejudice any potential party, the public or the Commission. It will reduce the cost of these proceedings to all potential parties by reducing the number of copies of any document that must be produced in paper medium, ensure a more rapid and timely distribution of documents to potential parties and the Commission, and allow for greater transparency and public awareness by enabling the documents' immediate posting to the Commission's website.

4. MCWD3 and its authorized representatives have registered with the Commission's E-Filing System and are authorized to make electronic filings with the Commission.

5. MCWD3 and its authorized representatives possess the facilities to receive electronic mail transmissions.

6. MCWD3's authorized representatives and their e-mail addresses for electronic delivery of notices of filing of documents are set forth in MCWD3's simultaneously-filed Entry of Appearance.

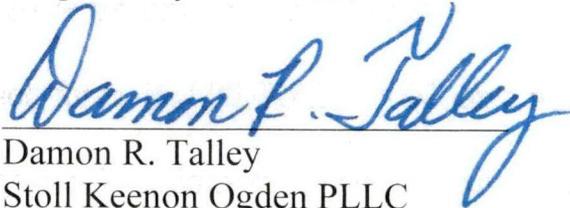

² *Electronic Application of Louisville Gas and Electric Company for a Declaratory Order Regarding the Proper Method of Municipal Franchise Fee Recovery*, Case No. 2016-00317, Order (Ky. PSC Sept. 14, 2016).

7. MCWD3 and its authorized representatives have read and understand the procedures for electronic filing set forth in 807 KAR 5:001 and will fully comply with those procedures and any modifications to those procedures that the Commission may direct.

WHEREFORE, MCWD3 moves that the Commission designate this proceeding as an electronic filing proceeding and direct that henceforth the electronic filing procedures set forth in 807 KAR 5:001, Section 8 be used by all parties in this proceeding.
