To Whom it may Concern,
I request your intervention in case
No. 2017-00179 I am a senior 71
years old my husband 70 years old
We are both Social Security and we
have had one raise in 7 years and that
was 5 years ago, our income has not
and can not keep up with inflation.
I am asking you to please intervene
not just for my family but for all
that are on social security. Some
months we have to choose between food
or our medication, so please help us out
here, I am at the end of my rope, and
I don't know what else to do.
