Sirs,

I'm writing in protest of your proposed rate increase in case no. ~~2017-00179~~ 2017-00179.

Myself + my wife are 87 yrs + 84 yrs old. We have to live within our means, never asking for help from anyone, and we're on very low income which is fixed.

Surely Kentucky Power Company can do without a raise at this time. Lighten your belt and leave the road off.

Yours truly  
Taylor Roark
