PUBLIC SERVICE  
COMMISSION

July 24, 2017

To Whom It May Concern;  
I am a senior  
Citizen 68 yrs old, on a  
set, small income. My  
daughter 32, and My grand  
daughter 12 stay with me  
and have no income, so  
we have a hard time mak-  
ing ends meet sometimes.

If you keep raising the  
power bill, that will be  
3 people out of a home,  
because I can't continue  
to pay this if you keep  
raising the power bill.

I sometimes pay ~~and~~ it  
in part now; because it  
is so high and we  
are paying near \$50.00  
on it in taxes, we  
shouldn't be paying already.

My income is about \$755.<sup>00</sup>  
monthly, so it's hard to live  
on this. Please, consider  
the people like me; because

it doesn't seem as if people  
act as if we exist, but we do.

If anything, you should  
lower these bills.

Think of this and put  
yourselves in my place if  
you can. It was bad  
enough worrying about paying  
it already, much less if  
you raise it.

Sincerely  
Mary Sue Miles
